ENGINEER'S REPORT:

FY2010 NJDOT Municipal Aid Project - Resurfacing of Forest Grove Road

The Borough received a FY2010 NJDOT Municipal Aid grant for the Reconstruction of Forest Grove Road in the amount of \$190,000.00. The construction of the road is complete. The punch list items are essentially complete. We are working on the paperwork to close-out this project and receive final reimbursement from the NJDOT.

Borough of Buena Bike Path - Phase IV

The final reimbursement package has been submitted to the NJDOT.

Forest Grove Road / Kimberly Lane Drainage Study

The report revisions requested by the County for the drainage study are complete. The revised report was submitted to Atlantic County.

Louis Drive Drainage

We are currently evaluating alternatives to address the drainage issue. The ACIA has approved our request to reallocate the Louis Drive funding to the Kimberly Lane drainage project. We recommend that a meeting be scheduled with the Administrator, the Mayor and the Roads Committee to discuss the project.

Road Program

The project is essentially complete. Our office will prepare a punchlist for submission to the contractor.

It is our understanding that the Borough has selected Forsythe Street from Flower Street to South Boulevard as the candidate roadway for microsurfacing. Our office will schedule a meeting with the State Contract vendor for microsurfacing to review the project.

Kimberly Lane Storm Drain Pipe

Bids for the project were received on May 7, 2013. The apparent low bidder is Mazzara Excavation. Our office is currently reviewing the bids.

FY2013 NJDOT Municipal Aid Application - Reconstruction of Flower Street

The Borough was selected to receive \$187,000.00 in NJDOT Municipal Aid funding for the project. Our office will prepare and submit a proposal for engineering, surveying and inspection and contract administration services.

Blackwater Branch Stream Cleaning

The Borough expressed interest in conducting some level of cleaning of the stream. Once a scope of work is determined, our office will evaluate the permitting required. We are working with the solicitor to finalize a site access agreement to enter onto the private properties.
