**NOW THEREFORE, BE IT ORDAINED** by the Governing Body for the Borough of Buena, County of Atlantic and State of New Jersey, that Chapter 150, Land Use is hereby amended as follows:

**SECTION I.** Create New Article XIV. Affordable Housing as follows:

**Article XIV. Affordable Housing**

**Section 150-255. General Program Purposes, Procedures**

**A. Affordable Housing Obligation.**

(1) This section of the Borough Code sets forth regulations regarding the low and moderate income housing units in the Borough consistent with the provisions known as the "Substantive Rules of the New Jersey Council on Affordable Housing", *N.J.A.C. 5:93* et seq., the Uniform Housing Affordability Controls ("UHAC"), *N.J.A.C. 5:80-26.1* et seq. except where modified by the terms of a Settlement Agreement between the Borough and Fair Share Housing Center ("FSHC") such that the statutory requirement to provide very-low income units equal to 13% of affordable units approved and constructed after July 1, 2008, to be affordable to households at 30% of the regional median income, overrides the UHAC requirement that 10% of all low- and moderate-income units must be affordable at 35% of the regional median income, and the Borough's constitutional obligation to provide a fair share of affordable housing for low and moderate income households. In addition, this section applies requirements for very low income housing as established in P.L. 2008, c.46 (the "Roberts Bill", codified at *N.J.S.A. 52:27D-329.1*).

(2) This Ordinance is intended to assure that very-low, low- and moderate-income units ("affordable units") are created with controls on affordability over time and that very-low, low- and moderate-income households shall occupy these units. This Ordinance shall apply to all inclusionary developments and 100% affordable developments (including those funded with low-income housing tax credit financing) except where inconsistent with applicable law.

(3) The Buena Borough Land Use Board has adopted a Housing Element and Fair Share Plan pursuant to the Municipal Land Use Law at *N.J.S.A. 40:55D-1*, et seq. The Plan has also been endorsed by the Borough Council of the Borough of Buena. The Fair Share Plan describes the ways the Borough shall address its fair share for low- and moderate-income housing as determined by the Superior Court and documented in the Housing Element.

(4) This Ordinance implements and incorporates the Fair Share Plan and addresses the requirements of *N.J.A.C. 5:93*, as may be amended and supplemented.

(5) The Borough shall file monitoring and status reports with the Superior Court and place the reports on its municipal website. Any plan evaluation report of the Housing Element and Fair Share Plan and monitoring evaluation report prepared by the Special Master in accordance with *N.J.A.C. 5:91* shall be available to the public at the Buena Borough Municipal Building, 616 Central Avenue, Minotola, New Jersey 08341.

(6) On or about September 27 of each year through the end of the period of Third Round Judgment of Repose, the Borough will provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to all parties to the Borough's Court-approved Settlement Agreements, using forms previously developed for this purpose by the Council on Affordable Housing or any other forms endorsed by the Special Master and Fair Share Housing Center ("FSHC").

(7) The Fair Housing Act includes two provisions regarding action to be taken by the Borough during the ten-year period of protection provided in the Borough's agreement with FSHC. The Borough agrees to comply with those provisions as follows:

(a) By July 1, 2020, the Borough must prepare a midpoint realistic opportunity review, as required pursuant to *N.J.S.A. 52:27D-313*, which the Borough will post on its municipal website, with a copy provided to FSHC, a status report as to its implementation of its Plan and an analysis of whether any unbuilt sites or unfulfilled

**BOROUGH OF BUENA  
SPECIAL MEETING

mechanisms continue to present a realistic opportunity. Such posting shall invite any interested party to submit comments to the municipality, with a copy to FSHC, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether any mechanisms to meet unmet need should be revised or supplemented. Any interested party may by motion request a hearing before the Court regarding these issues. In the event the Court determines that a site or mechanism no longer presents a realistic opportunity and should be replaced or supplemented, then the municipality shall have the opportunity to supplement or revise its plan to correct any deficiency.

(b) Within 30 days of September 27, 2020 and September 27, 2023 the Borough shall prepare a review of compliance with the very low income housing requirements required by N.J.S.A. 52:27D-329.1 and its Settlement Agreement with Fair Share Housing Center. The Borough will post on its municipal website, with a copy provided to FSHC, a status report as to its satisfaction of its very low income requirements, including the family very low income requirements referenced herein and in the Borough's Settlement Agreement with FSHC. Such posting shall invite any interested party to submit comments to the municipality and FSHC on the issue of whether the municipality has complied with its very low income housing obligation.

(h) The initial rent for a restricted rental unit shall be calculated so as not to exceed 30% of the eligible monthly income of the appropriate household size as determined under *N.J.A.C. 5:80-26.4*, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of *N.J.A.C. 5:80-26.3*, as may be amended and supplemented.

Income limits for all units for which income limits are not already established through a federal program exempted from the Uniform Housing Affordability Controls pursuant to *N.J.A.C. 5:80-26.1* shall be updated by the Borough annually within 30 days of the publication of determinations of median income by HUD as follows:

(i) Regional income limits shall be established for the Region 6 based on the median income by household size, which shall be established by a regional weighted average of the uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within the housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in Region 6. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very low income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on

**BOROUGH OF BUENA  
SPECIAL MEETING  
AUGUST 16, 2018

multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.

(ii) The income limits calculated each year shall be the result of applying the percentages set forth in paragraph (a) above to HUD's determination of median income for the relevant fiscal year, and shall be utilized until the Borough updates the income limits after HUD has published revised determinations of median income for the next fiscal year.

(iii) The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)3 shall be calculated by the Borough annually by taking the percentage increase of the income limits calculated pursuant to paragraph (a) above over the previous year's income limits, and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.

(j) The rent levels of very-low-, low- and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the Northeast Urban Area, upon its publication for the prior calendar year. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low income housing tax credit regulations shall be indexed pursuant to the regulations governing low income housing tax credits.

(k) Tenant-paid utilities that are included in the utility allowance shall be so stated in the lease and shall be consistent with the utility allowance approved by DCA for its Section 8 program.

**C. Condominium and Homeowners Association Fees.**

For any affordable housing unit that is part of a condominium association and/or homeowner's association, the Master Deed shall reflect that the association fee assessed for each affordable housing unit shall be established at 100% of the market rate fee.

The affirmative marketing plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward COAH Housing Region 6 and covers the period of deed restriction.

(3) The affirmative marketing plan shall provide a regional preference for all households that live and/or work in COAH Housing Region 6, comprised of Atlantic, Cape May, Cumberland and Salem Counties.

(4) The Administrative Agent designated by the Borough shall assure the affirmative marketing of all affordable units is consistent with the Affirmative Marketing Plan for the municipality.

- (c) Household Certification;
- (d) Affordability Controls;
- (e) Records retention;
- (f) Resale and re-rental;
- (g) Processing requests from unit owners; and
- (h) Enforcement, although the ultimate responsibility for retaining controls on the units rests with the municipality.
- (i) The Administrative Agent shall, as delegated by the Governing Body, have the authority to take all actions necessary and appropriate to carry out its responsibilities, hereunder.

**C. Enforcement of Affordable Housing Regulations.**

(1) Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

(2) After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

(a) The municipality may file a court action pursuant to *N.J.S.A. 2A:58-11* alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:

(i) A fine of not more than \$500.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;

(ii) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Buena Affordable Housing Trust Fund of the gross amount of rent illegally collected;

(iii) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.

(b) The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.

(3) Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.

(4) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse

**BOROUGH OF BUENA  
SPECIAL MEETING

the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

(5) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

(6) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

(7) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

(8) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

D. Appeals. Appeals from all decisions of an Administrative Agent designated pursuant to this Ordinance shall be filed in writing with the Borough.

**Section 150-258. Development Fee Ordinance**

A. Purpose

(1) In Holmdel Builder's Association v. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985, N.J.S.A. 52:27d-301 *et seq.*, and the State Constitution, subject to the adoption of Rules by the Council on Affordable Housing (COAH).

(2) Pursuant to P.L. 2008, c. 46, Section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that were under the jurisdiction of COAH and that are now before a court of competent jurisdiction and have a Court-approved Spending Plan may retain fees collected from non-residential development.

(3) This Ordinance establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with COAH's regulations developed in response to P.L. 2008, c. 46, Sections 8 and 32-38 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7).

**BOROUGH OF BUENA  
SPECIAL MEETING

Fees collected pursuant to this Ordinance shall be used for the sole purpose of providing low- and moderate-income housing in accordance with a Court-approved Spending Plan.

**B. Basic Requirements**

(1) This Ordinance shall not be effective until approved by the Court.

(2) The Borough of Buena shall not spend development fees until the Court has approved a plan for spending such fees (Spending Plan).

**C. Definitions.** The following terms, as used in this Ordinance, shall have the following meanings:

“Affordable housing development” means a development included in the Housing Element and Fair Share Plan, and includes, but is not limited to, an inclusionary development, a municipal construction project or a 100 percent affordable housing development.

“COAH” or the “Council” means the New Jersey Council on Affordable Housing established under the Fair Housing Act.

“Development fee” means money paid by a developer for the improvement of property as permitted at N.J.A.C. 5:97-8.3.

“Developer” means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

“Equalized assessed value” means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with Sections 1, 5, and 6 of P.L. 1973, c.123 (C.54:1-35a through C.54:1-35c).

“Green building strategies” means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.

**D. Residential Development Fees**

(1) **Imposition of Fees.** Within the Borough of Buena, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee in accordance with the following:

(a) For each new residential dwelling unit that is constructed pursuant to an application for development before the Planning or Zoning Board, except for isolated lot variances pursuant to N.J.S.A. 40:55D-70.c. on an existing lot of record, a fee of 1.5% of the equalized assessed value of the residential development fee imposed for the purposes of funding the Borough's Affordable Housing Program.

(b) When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of six percent (6%) percent of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

(2) **Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments**

(a) Affordable housing developments and/or developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by Ordinance or by Agreement with the Borough of Buena, shall be exempt from the payment of development fees.

**BOROUGH OF BUENA  
SPECIAL MEETING  
AUGUST 16, 2018  
PAGE 17**

(b) Developments that have received preliminary or final site plan approval prior to the adoption of this Ordinance shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where site plan approval is not applicable, the issuance of a Zoning Permit and/or Construction Permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that the Construction Permit is issued.

(c) Improvements or additions to existing one and two-family dwellings on individual lots shall not be required to pay a development fee, but a development fee shall be charged for any new dwelling constructed as a replacement for a previously existing dwelling on the same lot that was or will be demolished, unless the owner resided in the previous dwelling for a period of one year or more prior to obtaining a demolition permit. Where a development fee is charged for a replacement dwelling, the development fee shall be calculated on the increase in the equalized assessed value of the new structure as compared to the previous structure.

(d) Homes replaced as a result of a natural disaster (such as a fire or flood) shall be exempt from the payment of a development fee.

E. Non-Residential Development Fees

(1) Imposition of Fees

(a) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.

(b) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

(c) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, and such calculation shall be made at the time a final Certificate of Occupancy is issued. If the calculation required under this Section results in a negative number, the non-residential development fee shall be zero.

(2) Eligible Exactions, Ineligible Exactions and Exemptions for Non-residential Development

(a) The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to a two and a half percent (2.5%) development fee, unless otherwise exempted below.

(b) The two and a half percent (2.5%) development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing footprint, reconstruction, renovations and repairs.

(c) Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption". Any exemption claimed by a developer shall be substantiated by that developer.

(d) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.

**BOROUGH OF BUENA  
SPECIAL MEETING  
AUGUST 16, 2018  
PAGE 18**

(e) If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this Section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Borough of Buena as a lien against the real property of the owner.

**F. Collection Procedures**

- (1) Upon the granting of a preliminary, final or other applicable approval for a development, the approving authority or entity shall notify or direct its staff to notify the Construction Official responsible for the issuance of a Construction Permit.

The Construction Official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. - (5) The Construction Official responsible for the issuance of a final Certificate of Occupancy shall notify the Borough Tax Assessor of any and all requests for the scheduling of a final inspection on a property which is subject to a development fee.
- (6) Within 10 business days of a request for the scheduling of a final inspection, the Borough Tax Assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
- (7) Should the Borough of Buena fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of Section 37 of P.L. 2008, c.46 (C.40:55D-8.6).
- (8) Except as provided in Section 5.A.3) hereinabove, fifty percent (50%) of the initially calculated development fee shall be collected at the time of issuance of the Construction Permit. The remaining portion shall be collected at the time of issuance of the Certificate of Occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the Construction Permit and that determined at the time of issuance of the Certificate of Occupancy.
- (9) **Appeal of Development Fees**
  - (a) A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation.
